

KSCSTE R&D SUMMIT 2025

Translating R&D Innovations into Scalable Solutions

7 August 2025

9.30 AM to 5.00 PM

Hyatt Regency

Thiruvananthapuram

Inauguration by

Shri. Pinarayi Vijayan

Hon'ble Chief Minister of Kerala

The Kerala State S&T Institutions Summit 2025 is a landmark initiative strategically designed to bridge the gap between cutting-edge research from Kerala State S&T Institutions and the needs of the society. This event will establish a vital platform for translating tangible R&D outputs that include technologies, prototypes, products, services, and policy tools into scalable, market-ready solutions. The summit aims to foster meaningful collaborations among scientists, industry stakeholders, investors, and key enablers, thereby significantly strengthening Kerala's research-innovation ecosystem.

KSoM

Key Objectives:

- Identify tangible and commercially viable R&D deliverables
- Facilitate partnerships with institutions, industries and investors
- Accelerate commercialization of innovative technologies
- Promote policy, service and product innovations

Strategic Themes

- Technologies/Products
- Service Portfolios
- Policy Frameworks

Audited, tangible outputs from Kerala State S&T Institutions will be categorized into relevant domains, enabling stakeholders to directly connect with innovators for further translation into real-world applications.

Programme Outline

- Inaugural Session
- Presentation of R&D Outcomes
- Short pitches by Kerala State S&T Institutions and Reverse Pitching by Stakeholders
- B2B Meetings
- Highlighting Success Narratives
